## Combined Driving Schooling & Dressage Festival

**May 11-12, 2013**

Please join Equestrians Institute driving for a combined driving schooling and dressage festival weekend. It's a great opportunity to practice all three phases of your combined driving skills. We will have dressage arenas, a cones course, and a fully marked section E marathon course with 4 or 5 gated obstacles. On Saturday, each competitor will have an assigned time in a dressage arena (nominally 20 minutes each) to ensure everyone has equal opportunity to practice their dressage in an actual arena. Also, on Saturday, the cones course and marathon course will be open for schooling all day long. This is your chance to experiment and figure out what works best for you and your equine(s). On Sunday, we will be running it as a driving trial with dressage starting in the morning, immediately followed by cones. The marathon phase will be in the afternoon. All three phases will be judged/scored and the results posted. Since this is about schooling, no ribbons or awards - just your dressage test and hopefully some great CDE schooling to prepare you for future competitions.

The dressage festival is a new part of this weekend. For those drivers who want more practice in front of a dressage judge, they can select which dressage test(s) they would like to drive on Saturday. Scheduling of test times will be first come, first served - so send in your entry form early!

**Venue:** [Happy Trails Arena](#), Ethel, WA [Directions](#)

**Entries: Open Date:** March 24<sup>th</sup> **Close Date:** April 27<sup>th</sup>, or earlier if filled

See the CDE Schooling & Dressage Festival Info document and entry form for the details about this fun event.

### **Volunteering:**

If, however, you prefer to watch this one rather than drive it – you know, so you can learn the ropes -- we'd still love to have you! We're looking for volunteers on Saturday and Sunday to scribe dressage tests. We also need many volunteers on Sunday to set cones to the correct distances, and do timing and observe obstacles on the marathon course. So bring yourself, your spouse, a responsible kid, a friend or a neighbor. We'll provide on-the-job training. Volunteers will receive lunch and our undying gratitude. Please contact Mary Decher to volunteer. [mary@einw.org](mailto:mary@einw.org)

2:30-3:30 = Hopeful

4:30-5:30 = Novice  
5:30-6:00 = Training
